

VINYL GUARD[®] golf

Renew & Protect Golf Course Equipment

NEW!

Are your expensive Laser Link SmartSticks™ scratched and worn out?

Save money - Don't replace them... VinylGuard them!

They'll look better-than-new and last years longer!

Laser Link SmartSticks™ Renewal Kit

For 1/2" regulation and the older 3/4" tapered tournament SmartSticks™ with the wide-diameter aluminum reflective prism devices installed in the body of the flagsticks

Kit contains:

- 1 spool of VinylGuard to renew 30 fiberglass SmartSticks
- 30 cut pieces of VinylGuard to renew the aluminum devices
- 1 custom hole cutting tool to expose the prisms
- Available in White and Yellow VinylGuard

Note: Order new ferrules separately

BEFORE

AFTER

To renew the new, slim 3/4" tapered tournament SmartSticks™ with the prisms embedded in the fiberglass, use VinylGuard's FS-7550 for Tapered Tournament Flagsticks.

Purchase the custom hole cutting tool separately.
